

## Seat plan: Frecciarossa 1000

Seats 2A, 2D, 3A, 3D, 4A & 4D can be rotated to face either way.

**Warning:** On the Paris-Lyon-Turin-Milan international route, Trenitalia have covered the end cars (cars 1 & 8) of some of these trains with advertising wrap, preventing passengers seeing out. I recommend avoiding cars 1 & 8 on this specific route. Unfortunately, Executive class is all in car 1.
